

GUIDELINES FOR A BUILDING PERMIT

1. Fill out both sides of application completely and sign.
2. Provide Certificate of Workman's Compensation Insurance (unless exemption declared).
3. Provide a Certified Survey sealed by a registered surveyor showing size and location of new construction and existing structures on the site and distances from lot lines.
4. Provide two complete sets of detailed building plans. (One set will be returned with sign off from Code Official.)
5. Provide site plan drawing showing all of the following:

Utility Layouts – Water, Sewer, Gas, Power, etc.

Driveway – Type, width & distance from property lines

Stormwater – Discharge points & distance from property lines, French drains, downspouts, etc.

Soil Erosion Control – Silt fence, straw bales & stone driveways

6. When sanitary sewers are not available, a permit from Sewage Enforcement Officer for an on-lot system must be provided.
7. Provide PennDOT Driveway Permit when accessing onto State Road.

Code Adopted:

Pennsylvania Uniform Construction Code Act 45

Based on the latest edition of the International Building Code

LOWER BURRELL BUILDING PLAN REQUIREMENTS FOR RESIDENTIAL PROJECTS
